

MathTime

An advanced mathematics program for talented and interested 8-12th graders.

$$\binom{n}{k} = \frac{n!}{k!(n-k)!}$$

- MathTime provides an opportunity for students to experience the college environment.
- MathTime enriches students who excel in math with deeper insights and wider views of mathematics.
- MathTime improves students' problem solving ability and develops further interest in mathematics.
- It is free of charge.

Students who are preparing for MathLeague, AMC8, AMC10, or any other math competitions as well as those enrolled in gifted math programs are encouraged to participate.

Classes will be conducted by OSU-Mansfield math professors every **Friday, 4:00 - 5:30 pm, starting November 3**, on the OSU-Mansfield campus (Ovalwood 253).

For further information, please email Professor *Sergei Chmutov* (chmutov@math.ohio-state.edu), or visit the Web site
